

Find Your Seat - A personal inventory to help measure where you are as a disciple

This tool is to help you plan your next steps to grow in your journey as a disciple of Jesus. Total the scores after each section. A score of 0-19 indicates that you should still put your primary focus on that chair. A score of 20-21 indicates that you can put primary focus on the *next* chair while remaining strong in all previous chairs in your disciple-making journey.
